## PART-TIME ATTORNEY ENDORSEMENT

Solely with respect to policies issued to a **named insured** who qualifies as a sole practitioner, it is agreed that the definition of **you** is deleted in its entirety and is replaced by the following:

**You** means:

- a. the **named insured**;
- b. any non-lawyer employee who was, is, or becomes an employee of the **named insured**, but only while acting within the scope of employment on behalf of the **named insured** at the time of such employment.

All other provisions of the Policy remain unchanged.
